... a world of action

... a world of spirit

The wonderful world . . .

of Phoenix Union High School . . .

is a social world, a political world, an economic world, a world of education, of training, a world of activities and athletics. Its glamorous past reflects the caliber of students that have attended here. Among its most famous graduates are the Honorable Jack Williams, Arizona's Governor; Barry Goldwater, former presidential nominee; cartoonist Bill Mauldin, two-time Pulitzer prize winner; and Troy Collier, Harlem Globetrotters basketball star. This world of Phoenix Union is a bustling world, a world of learning, of building mind and body, a world of experiences, of fun and frolic. However, the World of Phoenix Union would be empty without the dedicated and industrious students and faculty that fill its halls and classrooms. Without them, Phoenix Union has no future.

It's a wonderful world . . . the world of Phoenix Union High School!

. . . a world of harmony

ALMA MATER

Hail Phoenix High
Of thy glories we sing
Far over the western skies
Our voices now ring.
Our colors sail,
They will never fail—
Our sons will for-e'er be loyal
Hail, Phoenix, Hail!

The World of . . . Academics

Administration and Faculty

The administration, our faculty and classroom instruction all go hand-in-hand. All three are equally important in the educational progress and the elevation of personal achievement in the students.

Principal Shows Pride, Sincerity

Pride and sincerity are two outstanding qualities emitted by Principal Charles B. Harrison. His dedicated service to the students and faculty of Phoenix Union for the past fourteen years has earned him the respect and friendship of countless people that have worked and studied here.

Students know Mr. Harrison for his keen understanding of the younger generation and his warm, pleasing personality.

His never-ending faith and pride in Phoenix Union can be summed up in three of his own statements: "I don't think I'd trade it for any high school in the country . . . I believe in the students at Phoenix Union . . . I never want to leave Phoenix Union."

CHARLES B. HARRISON
Principal

Taking time from his busy schedule, Mr. Harrison chats with photographer.

Mr. Harrison proudly accepts a flag from Karin Bostrom, Phoenix Union exchange student from Sweden.

Much of the major activity on campus is under the jurisdiction of the administrative assistants. Social events, athletics, discipline, attendance, and general school supervision are just a few of their responsibilities.

All of the administrators are former teachers and have a great understanding of young people, making them well-suited for their positions.

Secretaries Provide Efficient Help

Phoenix Union, well equipped as it may be, would be at a loss without its efficient and hard-working secretaries. Without them the little things could never be done and loads of paperwork would go unfinished. The secretaries play a large part in the progress of our school.

Coyotes Keep Campus Clean

The campus of Phoenix Union took on a more beautiful and cleaner look during the year '67-'68. To the already bright-red trash cans, yellow flowers were added to make the cans more noticeable to the students. The idea was a rewarding one as signified by the rapid decrease of litter on campus.

Girls' League member, Bea Urias, works on trash can painting project.

Scholarships Earned In Vocational - Technical Field

A drafting student works hard on his assignment.

Phoenix Union, one of the largest and best equipped vocational-technical schools, can successfully offer potential experience and learning opportunities in shops, electronics and industrial areas. Taking advantage of the advance program offered here at Phoenix Union are exchange students enrolled from other Valley high schools. The Arizona State Fair and the annual Exhiborama display the various works done by students. Scholarships and awards are offered to students excelling in their field.

Business Develops Potential Leaders

Mrs. Tucker watches Darlene Ferguson as she key punches her assignment.

The business program offers many courses in preparation for the business world. Students are instructed not only in the handling of machines and other equipment used in business, but also in handling themselves as attractive persons.

The department encourages students to compete in building up typing and spelling skills. Each year certificates and cards are awarded to students excelling in their specific courses. The annual AMS spelling contest is recommended to each business student. The students' efforts are highlighted at the end of the year with a night assembly during which students are honored.

New 4-Story Vocational Building Opens

The newly-completed four-story vocational building on the main campus of Phoenix Union towers above all other adjacent buildings. Vocational students with classes in this building will be prompt to other classes while learning the trade of their choice on one centralized campus.

The new building is made of re-enforced concrete, pre-stressed concrete, face brick, and stucco. The capacity of the new building is figured at around 1,000 students. It will include a lecture hall and many new features. Architects Varney Sexton and Sydnor set the cost of construction at \$2,372,000. With the ever-expanding world of Phoenix Union, the new building is a representative of the space age world we are now entering.

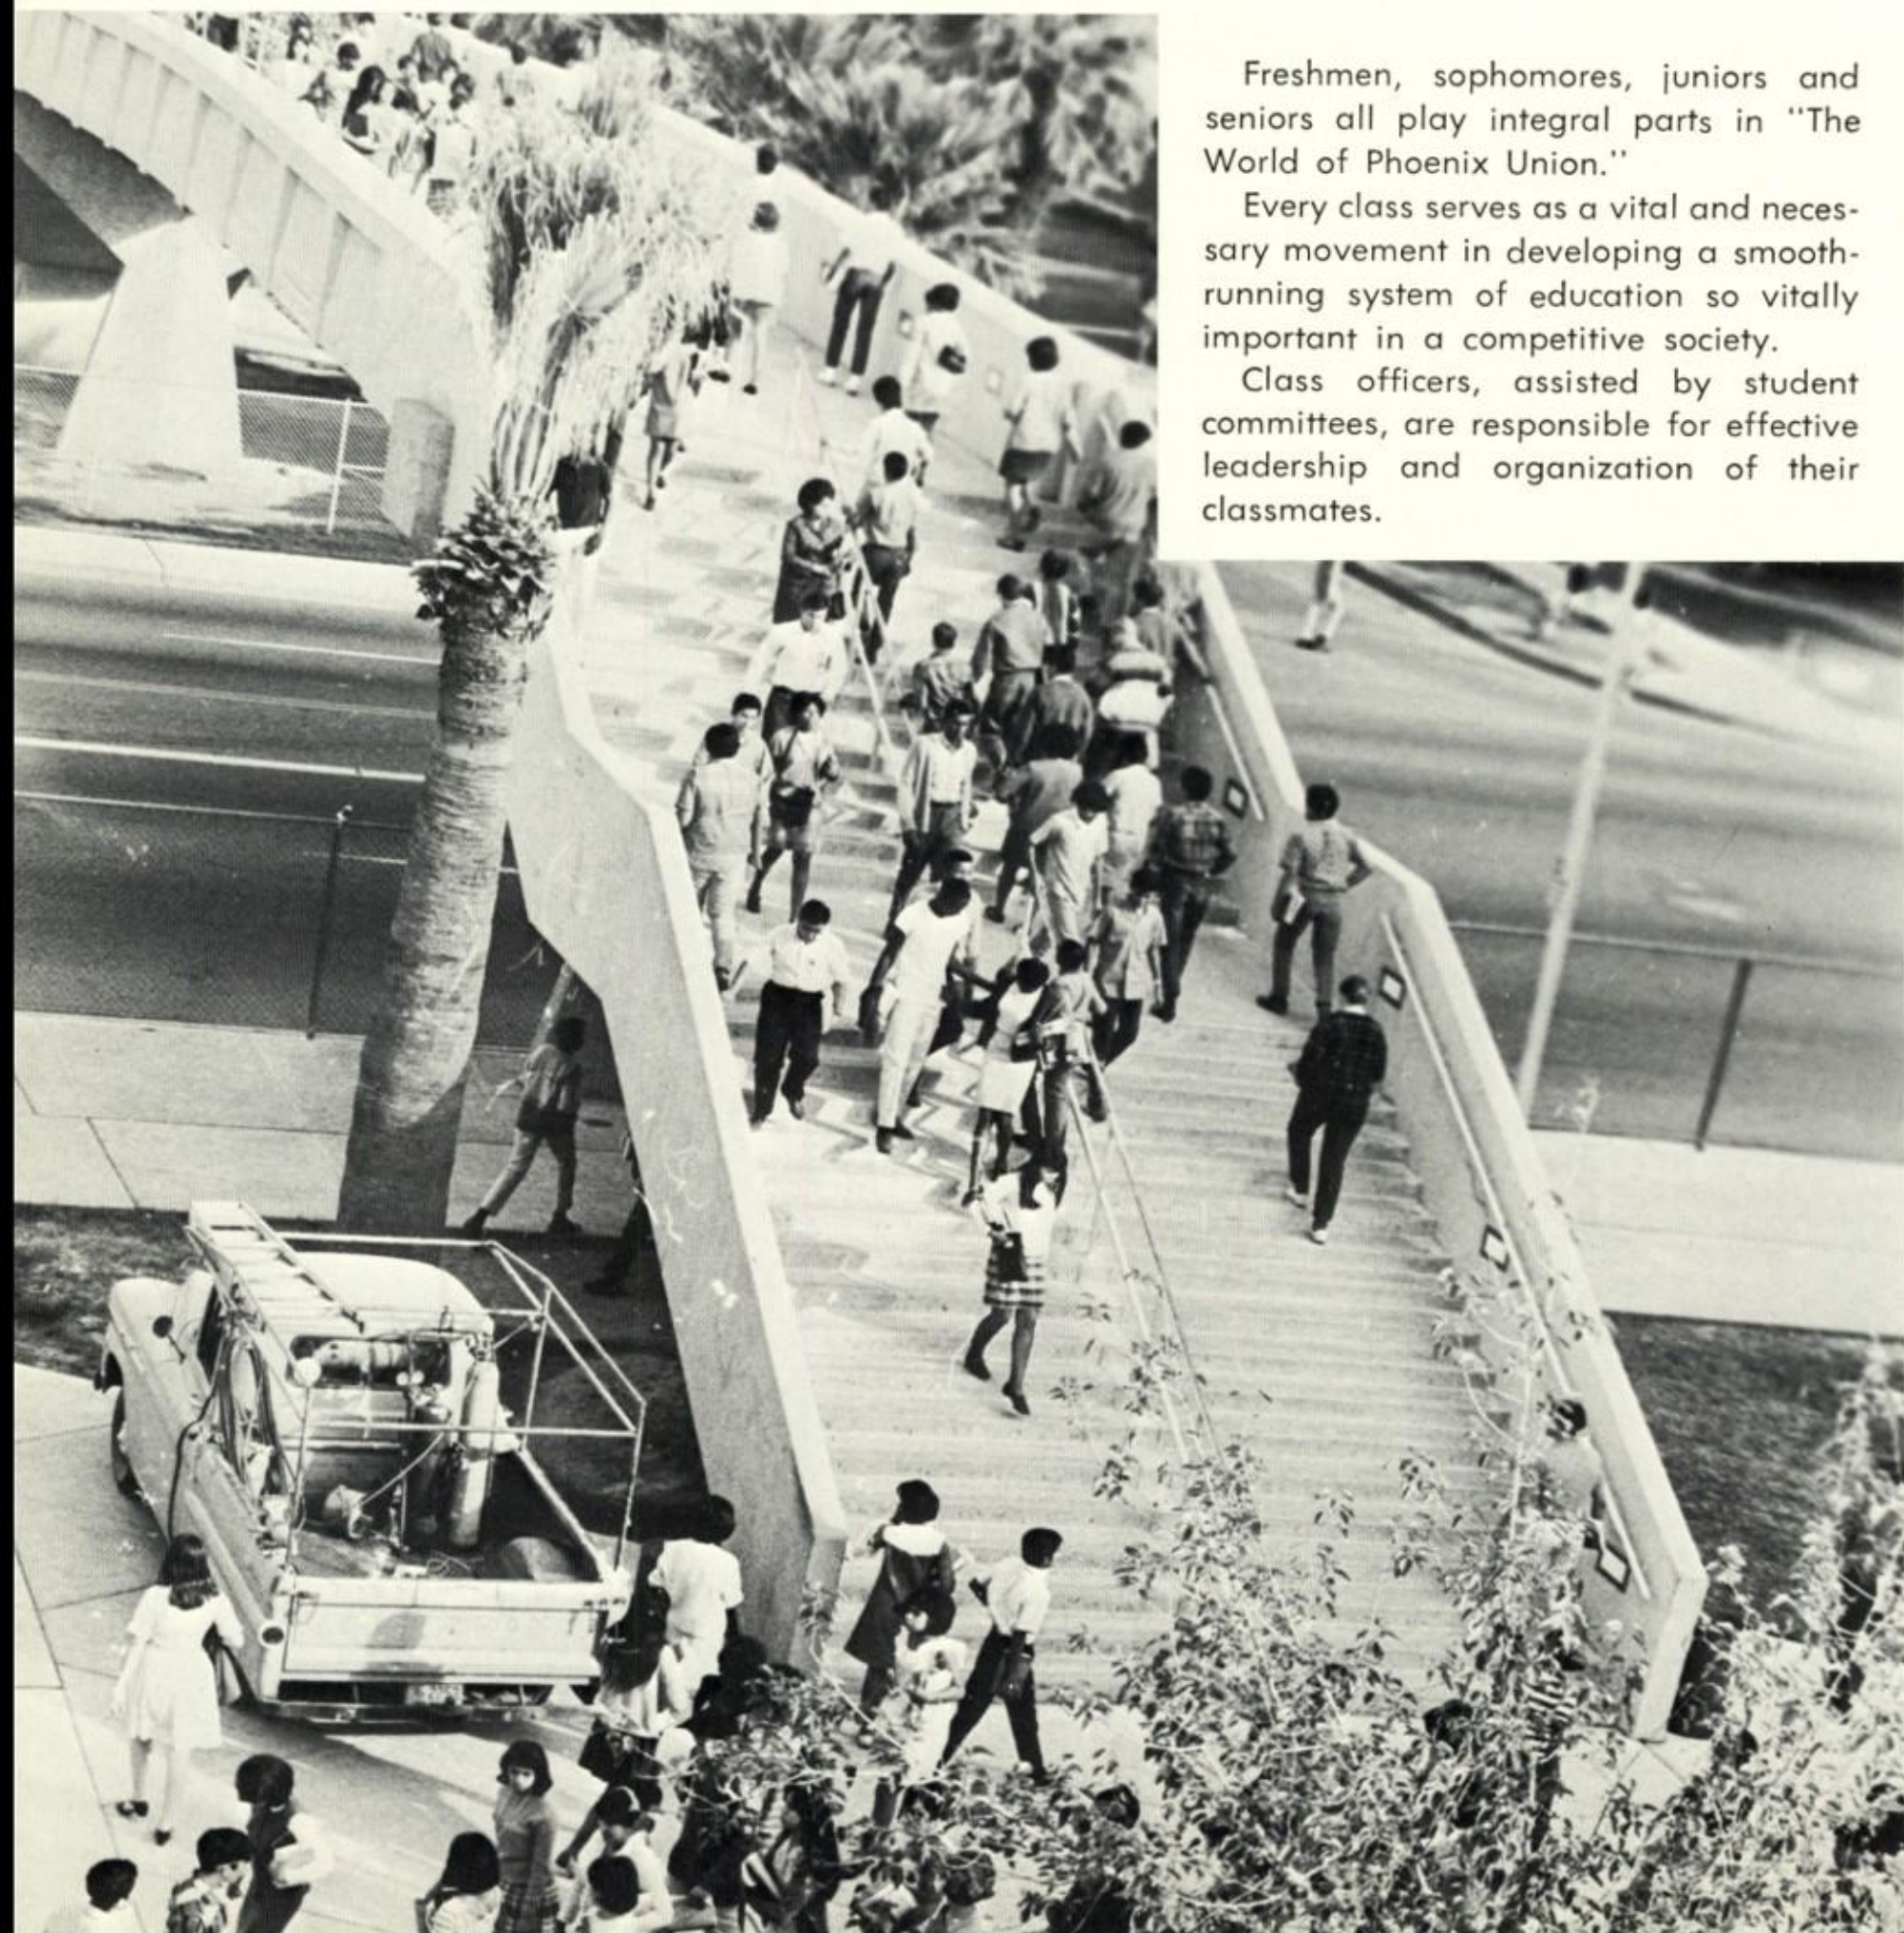

The World of Classes

Freshmen, sophomores, juniors and seniors all play integral parts in "The World of Phoenix Union."

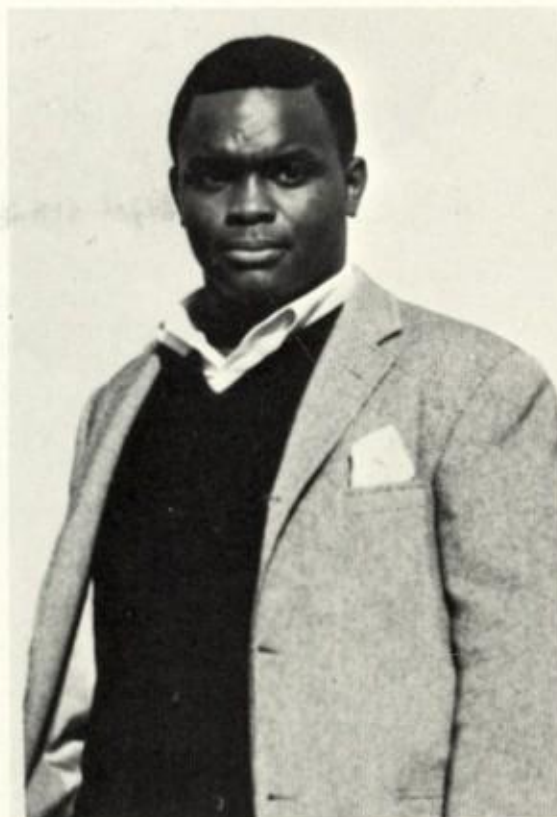

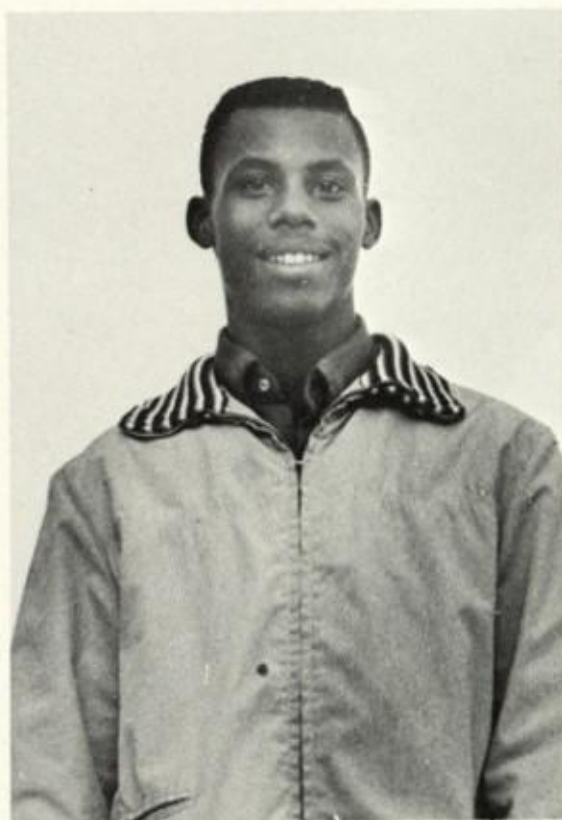

Every class serves as a vital and necessary movement in developing a smooth-running system of education so vitally important in a competitive society.

Class officers, assisted by student committees, are responsible for effective leadership and organization of their classmates.

The Executive Committee is the governing body for the students of Phoenix Union. This is the place where all problems concerning the students' welfare are acknowledged. This committee is composed of Student Body officers and the class presidents, plus Girls' League and Boys' Federation presidents. The Head Cheerleader is also considered as one of the leaders of the school.

The main responsibility of the committee is to take the small requests from the student body and expedite them.

Review Court Handles Disciplinary Problems

Eugene Huff, Chief Justice, reviews the record of the next case.

Top Row: Pablo Somoza, sophomore associate justice; Mr. Edwards, advisor; Larry Johnson, bailiff; Grant Gay, freshman associate justice; Samuel Elison, senior associate justice; Mary Bradshaw, senior associate justice; Anna Guam, junior associate justice; Carlos Segarra, junior associate justice.

Samuel Elison introduces the next case as the Review Court listens.

As the judicial branch of student government, the Review Court handles students with disciplinary problems.

The Court consists of ten members, two associate justices from each class, a chief justice who rules over the court, and a bailiff.

The Court feels that since it is composed of students who have taken courses under most of the faculty, it has an insight into student problems and, therefore is prepared to aid the administrators.

Student Body Passes Vital Amendments

Mr. H. F. Edwards
Sponsor

Many committees are needed for the function of the Student Body. Here the Election Committee is seen at its work.

Student Council has the responsibility of conducting pep assemblies throughout the year. Robert Oliver, student body president, and Yolanda Chavez, treasurer, assist in cheering the team on to victory.

This year the Student Council took a giant step forward in re-establishing itself as the governing body of Associated Students of Phoenix Union with the passage of a number of vital constitutional amendments.

These amendments were of far-reaching importance, affecting the members of Executive Committee and of Student Council. Also an important accomplishment of Student Council was the review and establishment of those committees that were absolutely necessary. Among these committees were Standards Committee, used to keep a check on Student Council members and the functions of other committees.

G. L. Sponsors Numerous Activities

The objective of Girls' League is to sponsor all-girls' activities in order to promote fellowship and active loyalty to the highest interest of the school and community. Among these activities are Midnight & Roses Ball, Mother-Daughter Dessert, assemblies, teas, and various service projects.

Central Council, the executive board of the League, is under the direction of Dr. Margery Johnston and Miss Geraldine Bowers.

Miguel Burciaga teaches Bea Urias and Silvia Moreno how to sand and paint. Beautifying the campus was one of the many activities the Girls' League has been involved in.

Boys' Federation was organized in 1928-29. The purpose, activities, and duties are to look after the various needs of boys at P.U.H.S. They set standards of conduct for boys in the classrooms, in the halls, and on the grounds and streets. Boys' Federation members maintain a high standard of sportmanship and standards for clean athletics. One of their year-round school services is to assist with the supervision of the cafeteria during lunch hour. Among their annual projects are the Midnight and Roses dance, the Rodeo Dance and their active participation during homecoming week.

A special aim is to help boys who are in danger of dropping from school because of financial or disciplinary problems, also to guide boys into proper recreational and leisure time pursuits.

Robert Draper is dunked into the icy water as David Hernandez looks on.

Four years of determination and hard work at Phoenix Union have helped us to prepare for the challenges of tomorrow. These four years have been rewarding and exciting. Football and basketball games, Homecoming, the Junior-Senior Prom, pep assemblies, college entrance exams . . . and finally graduation have made this year as memorable and eventful as the past three. Phoenix Union's highlights and personality shall long be remembered by us, the senior class of 1968.

Junior Class Sponsors Prom

The Junior Class, led by president Miguel Burciaga, vice-president Reynold Romero, secretary Stella Bernal, and treasurer Judy Yee, combined three years of money-making achievements to present the senior class with its fourth consecutive off-campus prom at the Westward Ho Hotel. They also boasted the largest class treasury on campus. Over \$900 was raised in a two-year drive beginning with their freshman year. The large sum was raised through candy and bake sales, car washes, dances, and by operating concession stands at football and basketball games. The junior class has made a remarkable impression on the school during their three years of existence.

Sophomores Realize Class Duties

We showed our potential and leadership by starting off the year with promising assets by participating in the many Coyote projects and activities. Through various bake sales, candy sales, car washes and dances, we not only helped increase our treasury, but also brought many helpful services to both Phoenix Union and the community.

As part of our Homecoming participation we added bang and color to the game by selling balloons to boost Coyote spirit. We also proved ourselves the most outgoing class by winning the Poster Decorating Contest and look forward to greater awards and achievements as upperclassmen.

Freshmen Led By Efficient Leaders

Our first year on the sprawling campus of Phoenix Union was one of great anxiety and anticipation. We will never forget that first day of school when we couldn't find our rooms, when we couldn't open our lockers and when we had to remember ID numbers, room numbers, and teacher's names.

We, however, set out to prove our potential and extend our horizon by taking part in the various activities, and in performing those tasks demanded of us. We experienced mass testing programs, a new system of study halls, and our first class elections. Our freshman year shall always be the most memorable.

A freshman candidate speaks to his fellow classmen.

While Mr. Elder aids an upperclassman, freshmen keep busy working on their studies. In this case it's algebra which many freshmen include on their schedule.

The World of Activities

The World of Activities—laughing, applauding, screaming, dancing, and crying are all very common symptoms of a very common high school disease called "activity." This highly-contagious and almost incurable form of happiness is likely to affect anyone who attends basketball games, dances, or assemblies. No one has really found a cure for "activity," but then, who wants to—it's fun!

Hill and Theus Crowned at Homecoming

Homecoming week got off to a quick boost in Coyote spirits with activities which provided various fun situations each day. Monday turned in its usual "gloomy outlook" for a more "gayful look" as "Mad Hatters" participants wore their ridiculous-comical-weird looking hats to school. Members of the cross-country team were targets for students who tried their luck at pie throwing on Tuesday. On "Dress-Up Day," Wednesday, students paraded through campus dressed in their Sunday best, adding a touch of glamour to the Phoenix Union campus. Thursday provided each student with the opportunity of dunking

their favorite varsity football player in a "dunking tank" sponsored by Boys' Federation. Banners displayed all over campus also added to the spiraling Coyote Spirit.

Then on Friday night, during half-time ceremonies, Alvin Hill and Pat Theus were crowned Phoenix Union's Homecoming king and queen by last year's reigning monarchs, who were on hand to execute their last duties as homecoming royalty to Phoenix Union. Finally, the annual homecoming dance, brought the '67-'68 Homecoming ceremonies to an end.

Teachers Make Global Journey

Mr. Harrison, while doing his everyday job, received a call informing him that something was missing at PU, and the search started.

While riding on his bicycle, Mr. Dye traveled around the world showing up in the same places as the detective.

Mr. Fischer was an idiot before going into the mad scientist's transformation machine.

In 40 Minutes

What can teachers and administrators do in 40 minutes with a giant tricycle, a lot of greasepaint and an auditorium full of Coyotes? Well, the most obvious thing they can do is put on the annual teachers follies.

All departments are called on annually for volunteers to participate in the producing.

Funds received through the yearly "happening" go towards student scholarships, foreign exchange and other various school projects.

This year's follies theme was "Around the World in 40 Minutes." Something was missing from PU, so Mr. Harrison got a detective to search the world, and he did it in 40 minutes.

As the detective traveled on, he ran into a hippie in San Francisco. The search was still on.

The mad Russian scientist discovers the big change from Mr. Cline to Mr. Derr.

Traveling on, our great detective went to Hawaii, where he found a hula girl portrayed by Mrs. Summey.

Surprises Galore at Rodeo Dance

Best dressed rodeo couple was Willie Epps and Esther Ray.

One of the major events of the year, "Pistols 'n' Petticoats," co-sponsored by GLC and Boys' Federation, set the stage for the announcement of newly elected student body officers, Rodeo King and Queen Robert Oliver and Mary Ann Duckett and a big night for Marryin Sam at the "hitching post."

Barney Baiz, Jesse Gonzales and Ray Cruz had the longest, most original and "best try" beards, respectively.

Willes Epps and Esther Ray were the best dressed couple and Carolyn Scott was the best dressed girl. The new pom pon line was also revealed.

Upward Bound is a government-sponsored program purposely planned to motivate promising high school students to attend college. Approximately 100 Phoenix Union students have attended the program at Arizona State University for the past two years.

Junior League Gives Cultural Insights

Junior League is a group of 15 top seniors and 5 alternates. The group attends events such as theater performances, musical concerts and lectures. This group of students often met in homes of sponsors where Junior League members meet and talk with business and professional leaders of Phoenix. These students appreciate the various cultural activities held in Phoenix.

The group is sponsored by the Junior League of Phoenix and is under the guidance of Miss Anderson.

Karin Bostrom, Student From Sweden

This year Phoenix Union welcomed Karin Bostrom, as a foreign exchange student from Vasteras, Sweden. Karin is an honorary member of National Honor society and Key Club.

During this year she was a candidate for "Lucia" and appeared on one of Phoenix's teen-age programs.

Karin finds working with the Executive Council enjoyable at times.

Darlene Ferguson and Karin talk over the agenda for the day's Executive Council meeting.

Dear Coyotes:

Here it is—May! Faced with the cold fact that it is only a few days left at my stay here at Phoenix Union, I feel like crying. I want to stay at Phoenix Union forever. It has been such a wonderful year, a year filled with a lot of unforgettable experiences.

There are so many things I would like to mention, but the deepest impression is, however, my first day here at Phoenix Union. I will always remember it. A little bit scared I walked to school, but there was no need to be afraid. Phoenix Union came toward me with open arms and like that it has been ever since. You always have had time to stop and talk for awhile to say a friendly "Hi!" As often as possible you have taken me around to all the different clubs. In other words, my closest friends.

I really wanted to describe how much this year has meant to me, but suddenly when I was sitting here I couldn't find enough words to put my feelings for Phoenix Union into words.

But I want you to know my thanks to each of our Coyotes. This year has been one of the greatest years of my life, and I will always remember it.

Love you forever PU,

Karin

So. American Girls

Attend P. U. H. S.

Second Semester

Phoenix Union welcomed two new foreign exchange students second semester. Beatriz Sayagues is from Uruguay and Teresa Arancibia is from Chile. These girls came to PU second semester and will stay till July. Beatriz and Teresa are honorary members of Key Club, National Honor Society and are members of Girls League Central Council.

These two girls came under Youth for Understanding. This program is for furthering the understanding of American people and customs. This is the first time that PU has had three foreign exchange students at the same time.

Everyday you hear things happening at the United Nations, but New York isn't the only place there's action. Here in Arizona, the high school students have a chance to be interested in and participate in the machinations of world politics.

At last year's Model UN, Phoenix Union represented five countries: Libya, Red China, Guatamala, Ireland and Jordan. Of these, three were in Security Council and Economic and Social council.

This year, besides the Secretariat, the 6th Annual Arizona Model UN meeting had Ecosoc Security Council, Credentials Committee, the General Assembly and a new bloc, the Arab bloc. This year, over 500 high school young people from all over the states participated in the Arizona Model UN.

The U of A facilities may not be the Secretariat building, but it means a look at world politics for high school students in Arizona.

Union Spirited by Pom Pon and Cheerleaders

"It's what's up front that counts," and the cheerleaders and pom pon girls are always up front at all football games, basketball games and pep assemblies.

These two select groups of girls are responsible for the greater part of the Coyote spirit and entertainment at games and assemblies.

The cheerleaders, under the direction of Mrs. Joette Burke, and captained by Debbie Danielson, provided hours of youthful enthusiasm and sparked a never-ending drive of school spirit into the hearts of spectators and players alike, whether our teams were winning or not.

While the cheerleaders cheered, a youthful pom pon line led by Sharon McCuin, danced to the beat and music of the PUHS band, all the while drawing cheers and whistles from the crowd. Their original and excellent choreography was displayed in many halftime performances during the year.

Voting Machines Offer Experience

Students wait in line to cast their vote for next year's student body officers.

Excitement ran high and competition close in what turned out to be one of the most interesting and surprising student body elections in recent PU history.

Run-off elections were held for the offices of president, vice-president and corresponding secretary.

For the second consecutive year, results were determined quicker and more accurately by voting machines.

The elections were supervised through the diligent efforts and cooperation of the executive committee, elections committee, and review board.

The World Of Clubs and Organizations

Situated within the "World of Phoenix Union" is the world of Clubs and organizations. This world within a world develops three very important lifetime qualities—leadership, social involvement, and educational background.

Almost every department in the "Home of the Champions" sponsors some kind of club. Most of these clubs serve specific individual purposes in one of three general categories—academics, sports, and recognition.

The Phoenix Union student has a variety of clubs to choose from. Some are sure to satisfy his interests and talents.

Wide varieties of sports and news articles, features and editorials are presented monthly in the Coyote Journal, the official campus newspaper.

The CJ, one of the main sources of information at PUHS, is produced and published by a small but devoted staff led by co-editors Pearl Balderrama and Chris Vidas.

Through determination and never-ending perseverance, the staff was able to produce eight top-notch newspapers, including its first annual creative arts issue, during the '67-'68 school year.

A busy staff produces a good newspaper.

New Staff and Advisor

This year the '68 Phoenician staff has introduced many new ideas on the cover and printed pages of the book. Ideas for the '68 Phoenician have come from workshops attended by staffers—the Publications workshop at Northern Arizona University and the Arizona Interscholastic Press Association Convention at Arizona State University. Staff members have spent uncounted hours after school and on weekends furiously writing and editing the Phoenician.

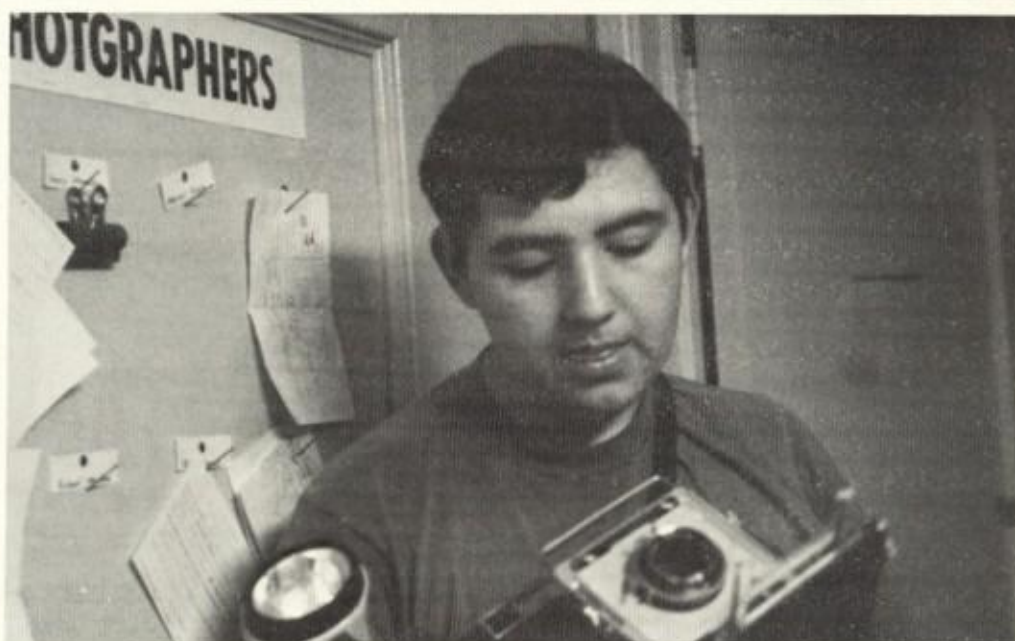

This year Phoenician was under the advisement of Mr. Fischer.

Popcorn Sales Finance Scenic Trips

AV Club, co-sponsored by Miss Hayes and Mr. Mosley, is comprised of 20 members experienced in the field of audio-visual operation. They have learned to operate 20 different types of projectors and recorders, and make graphic signs. Their only source of funds was through the operation of concession stands at basketball games and during lunch hours. One of AV club's services is filming the football games for the coaches and team. Through their popcorn sales, the club was able to finance trips to scenic Grand Canyon, Phoenix Star Theatre, and some television stations.

Ray Macinnoa and Jim Maloney answer Marilyn Adams' questions about the film projector.

A moment of relaxation is taken after an active work out at the concession stand.

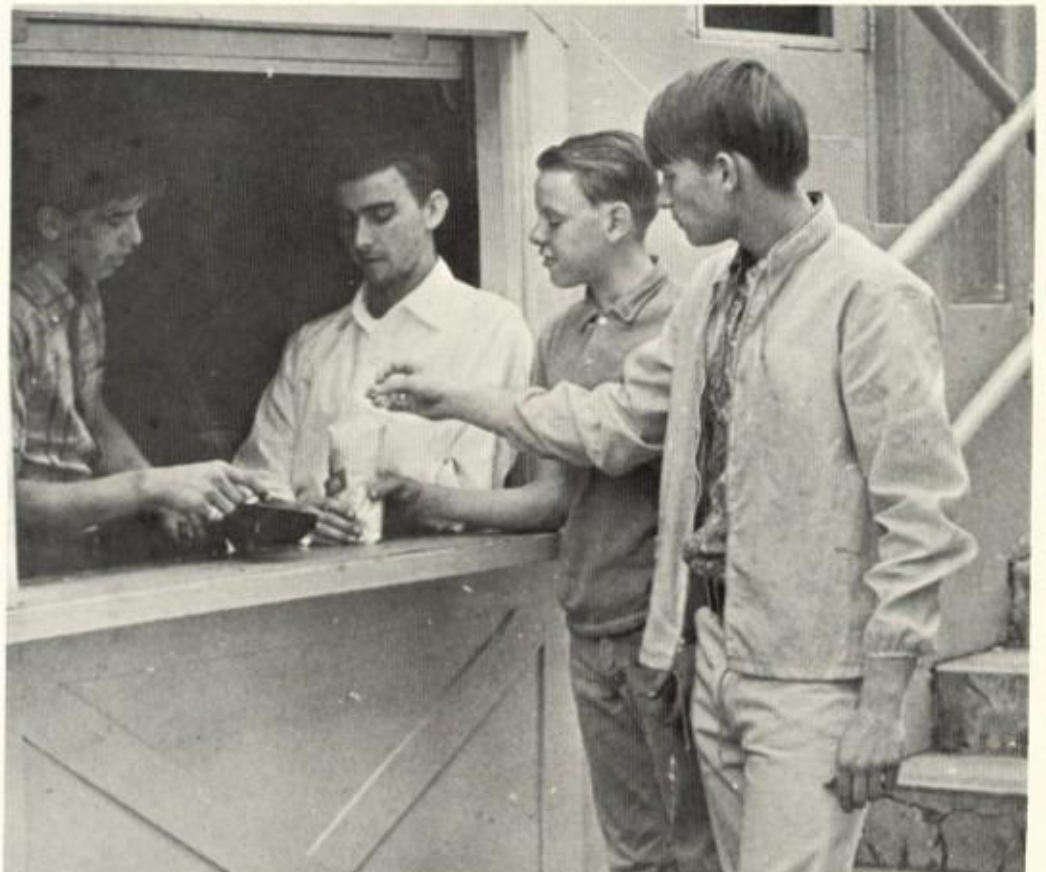

By making and selling popcorn, scenic field trips were possible.

VICA Club Prepares for Leadership

"Preparing for leadership in the world of work" is the motto of Vocational Industrial Clubs of America. To develop leadership abilities through participation in educational, vocational, civic, recreational, and social activities to their best potential is the major purpose behind this organization. Students in the VICA program attend school for classes in the morning and work at various jobs in the afternoon. Through working experience, these students are thereby prepared for a future career.

Brenda Allan discovers that checking stock is one of numerous phases of DECA on-the-job training program.

"May I help you?" are the familiar words heard spoken by any DECA trainee at work at one of many stores in the Phoenix area. While receiving classroom, as well as on-the-job training, DECA students receive an all around knowledge in the know-how of marketing and distribution. Students placed on jobs at drug stores, food stores, and department stores are not only well-trained, but also paid beneficial wages. Upon completing his high school DECA training, a student may then go on into full-time employment in the field of business.

Farming is by no means an easy vocation. Growing foods and raising animals takes a highly knowledgeable and agriculturally minded individual. Many of these individuals are members of Future Farmers of America. Phoenix Union has the only FFA chapter within the system. Its members annually walk away with dozens of ribbons and trophies at the state fair. This year two of its members scored high in the National Livestock Fair.

Cosmojets are members of Phoenix Union's school of cosmetology which was organized in 1955. Their main goal is community service. Their annual agenda includes contributions to the foreign exchange drive and student fund. One of their biggest endeavors is adopting a family every year at Christmas time.

Members of Cosmojets attend the annual Arizona Cosmetology Association Convention and dinner sponsored by the alumni of the School of Cosmetology.

A sincere interest in the welfare of man and the ability to assist him with professional medical care are the basis for a career in the field of practical nursing.

Practical nursing is open to all interested senior girls. This course teaches various subjects in this field, such as: fundamentals of anatomy, growth and development, nutrition and diet therapy, and fundamentals of nursing. These courses can lead to useful background information or work in a hospital as a nurse's aide.

Choralettes started out the year in October with the annual initiation of their new members. The theme for the initiation this year was "Choralettes Take State" and initiates were dressed as messy basketball players.

The Christmas season found Choralettes busy with their performance at the Christmas concert in the PUHS auditorium. This year they were also invited to perform at the Camelback Women's Club. Following this performance, they took part in the Christmas assembly. The Choralettes finished the season at Thomas Mall where they received a trophy in appreciation for annual participation.

As the spring season entered, Choralettes continued to sing with their performance for the Spring concert. They also enjoyed their part in the Spring Festival in which the whole Music Department was featured.

Last on their agenda, Choralettes performed at the Baccalaureate.

STADIUM CLUB

G. A. A. Promotes Good Sportsmanship

Life savers come in many forms. Sometimes they're in the shape of a candy, a fireman, or in PU's case, the Stadium Club. All activities that occur in Montgomery Stadium are ushered by members of this club. The members sell programs and provide information to confused visitors who would otherwise get lost. They kick off their year with an initiation and end it with a banquet and election of officers.

Promoting the spirit of cooperation and highest ideals of good sportsmanship is the aim of the Girls Athletic Association. The highlights of GAA are special service projects at Christmas, and sponsorship of all intramural tournaments. As a part of the club's awards, a \$50 scholarship is awarded to one outstanding senior girl at the award banquet to be held at the end of the school year.

The World of Sports

The World of Sports is a world of competition, a world where only the strong and able can compete and survive. It is a world where the air is filled with the excitement of victory and the heartbreak of defeat, where the raw strength and determination of an athlete could mean a victory, a world where both brute strength and cunning intelligence are mighty weapons. It is a world where there is only one goal on the athlete's mind—to go out there and win!

This is the world Phoenix Union is involved in. It is a rough, tough world, but Phoenix Union has always been represented by the best. With its fine coaching staff and its excellent athletes, Phoenix Union will always finish among the best. Thus, the Coyotes, being competitive, are involved in a world of competition.

This is the world of sports.

Finding the necessary hole, Melvin Miniefield (46) ran for 17 yards to set up another touchdown as PU crushed the Rebels, 20-6.

Carl Hayden, Central Fall to Coyotes

Through second effort, McKee caught this partly blocked pass against a North High defender.

The Coyotes lack depth. Their running attack is strong, but their line is too weak. The Coyotes pose no threat. These were the statements given by the experts before the season.

With only eleven returning lettermen, the pack's main problem seemed to be inexperience. Most of our players moved up from JV or joined for the first time.

With all this, plus more, Coach Saunders and Coach Petty prepared the team for a long, hard season.

GLENDAL 18—PHOENIX UNION 14

After scoring 12 points in the first quarter, the heavily favored Cardinals felt the Coyote bite, as the Coyotes took a 14-12 lead at halftime. Then the defense made it hard for Glendale to score their winning touchdown.

MARYVALE 13—PHOENIX UNION 13

Taking a 13 point lead in the first quarter, it looked like it was a Panther victory. Then in the fourth quarter, McKee caught a pass for 76 yards and touchdown. Trailing by 6 points, Hill connected to McKee again, this time for 27 yards and the tying touchdown.

NORTH 18—PHOENIX UNION 6

Hampered by mistakes and the Mustang defense and offense, the Coyotes felt the Mustangs' hooves as North led, 18-0. Then late in the fourth quarter, Michael Dasher caught a pass to prevent a Mustang shutout.

ST. MARY'S 26—PHOENIX UNION 0

Renewing an old rivalry, the Coyotes were outscored and outplayed in the first half by the Knight offense. Then the Coyotes put the pressure on by holding the Knights to a scoreless second half.

CENTRAL 13—PHOENIX UNION 27

Scoring 13 points in the first quarter, the Bobcats looked good. Steele put the Coyotes on the scoreboard with a 28-yard run. With a scoreless third quarter, Hill passed to McKee twice and Walters once in the fourth quarter, to assure Phoenix Union their first win.

WEST 30—PHOENIX UNION 12

Keeping the ball on the ground, the Thunderbirds led at halftime, 20-0. Then in the third quarter, McKee caught a 4-yard pass to spark up a trying team. West put it on the ice by adding 10 more points to their score. Determined not to give up, Michael Dasher ran four yards to give the Coyotes six more points.

Assistant Coach Petty (with cap on) and Head Coach Saunders look on as manager Albert Aros talks to a player.

PU Rips South Apart In 20-6 Win

Catching a pass from Hill, Walters runs it in for a touchdown as PU rolled over Central, 27-13.

CARL HAYDEN 7—PHOENIX UNION 12

Running nine yards for a touchdown, Wendell Curry put the Coyotes ahead. Failing to get the extra point proved to be almost fatal, for the Falcons scored in the third quarter and led, 7-6. With seconds left, Hill connected to Miniefield for 48 yards, three yards short of the winning touchdown. After two unsuccessful tries, Hill connected to McKee, with only 15 seconds left to play, and gave the Coyotes a hard-fought game.

CAMELBACK 34—PHOENIX UNION 13

The Coyotes looked like they had the game with a 50-yard touchdown pass to McKee and a 31-yard romp by Steele to put the Coyotes ahead, 13-6. But, the Spartans exploded in the second half to take a hard-fought game from the Coyotes.

SOUTH MOUNTAIN 6—PHOENIX UNION 20

Everything went perfectly as the Coyotes scored when Hill connected on 19 and 25 yard touchdown passes to give the Coyotes a 14-0 lead. Then in the fourth quarter, Walters scored to give the Coyotes an upset victory over the favored Rebels.

ALHAMBRA 20—PHOENIX UNION 14

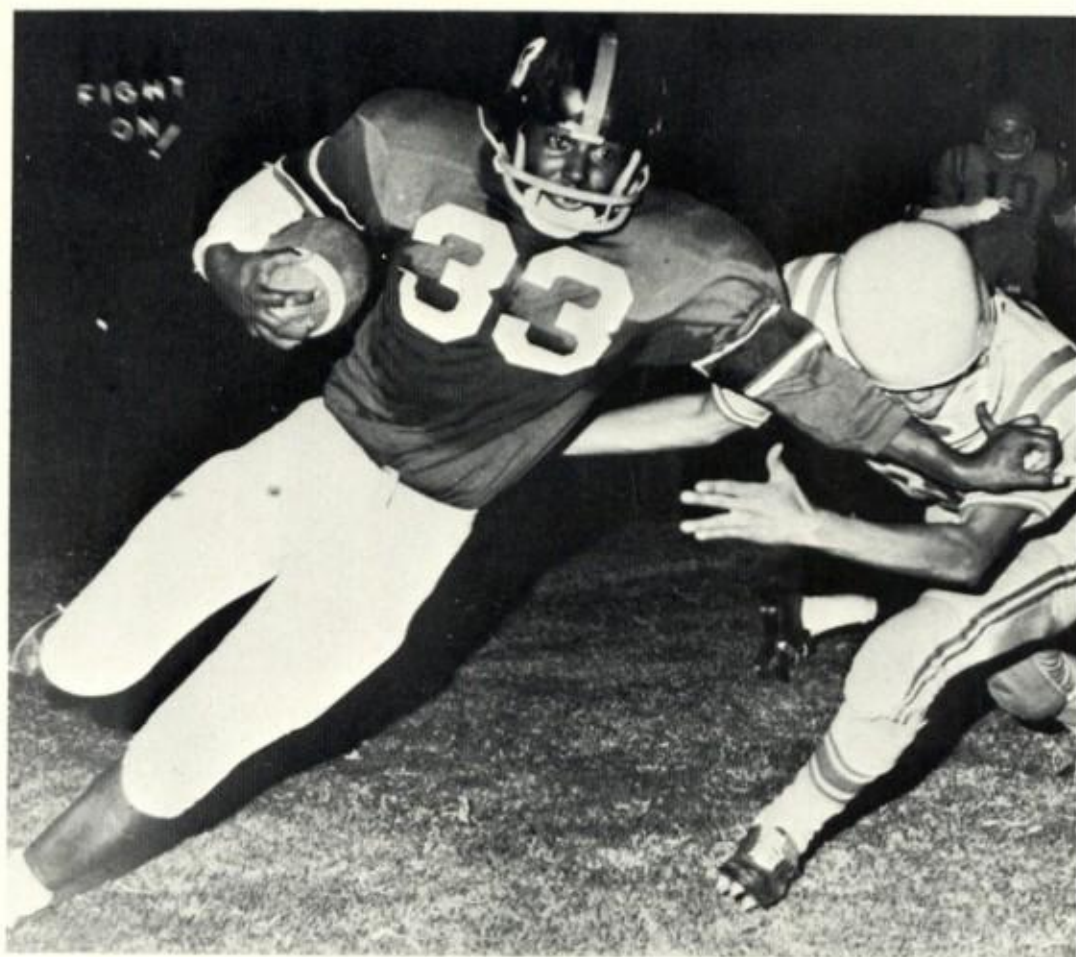

Catching a pass from Hill, Miniefield put the Coyotes on the scoreboard. Trailing the Lions in the fourth quarter McKee received the ball on a kick-off and ran 85 yards for a touchdown to put the Coyotes back in the game. But, time ran out for a fighting team.

The season was an exciting one. Even though we didn't have a winning season, the football team provided for quite a lot of excitement.

Alvin Hill set a new school record by throwing 14 touchdown passes, while Charles McKee caught 10 touchdown passes for another new school record.

Charles McKee was named All-State End and was also named All-Phoenix Conference offensive team captain. Also named to the All-Phoenix Conference team were Alvin Hill, quarterback, and Alanzo Steele, fullback.

We had a great football team, even though we had tough breaks. Coach Saunders and Coach Petty did a good job in bringing the team through a long, hard season.

Under the coaching of Mr. Futch and Mr. Nunez, the JV football team was able to break a 28-game losing streak with a 12-0 victory over the Carl Hayden Falcons.

Despite the fact that they faced heavier teams, the JV kept the games close and finished with a 1-9 season record.

Mr. Madura was able to get his Freshmen 'A' team to a 5-4 season record. Their ability to play fine football and the determination to win is what helped the freshmen make it a winning season.

Both the JV and the Freshmen 'A' football players, with their experience in this year's games, will be great contributions to our football team next season.

Coach Shipley proudly congratulates Ruben Moncivaiz, Arizona's best X-country runner.

Moncivaiz X-Country State Champion

After losing 3 of their first 4 meets, the Junior-Sophomore ladden Pack rallied to fashion an overall 6-4 record. The inexperienced Coyotes re-established themselves as a Phoenix Division power at the close of the season, placing third at the divisional race, and 7th at the state meet.

Senior Ruben Moncivaiz closed out an undefeated season perfectly by running away with the individual state championship. Ruben also captured the Divisional Squaw Peak, and Thunderbird Invitational championships.

PU Successfully Defends X-mas Crown

Head Coach Gerald Jones confers with Terry Smith during the intermission.

Rated number one in the pre-season poll, our team lived up to its rating by capturing the Christmas Tournament, the Phoenix Division League A crown, and the biggest and most important, the Class AA title to finish the season as number one.

Starting off the season with a 60-44 romp of Westwood, the Coyotes met some troubles as they dropped the next two, by two and one point, respectively.

After a minor adjustment, the Coyotes went on to win the next six games.

Four of these six games involved the Christmas Tournament. After finding little resistance in Sunnyslope and South Mountain, in the next two, our team showed its potential. After defeating a powerful Coronado team, it came up against Arcadia. After a long battle for the lead, the Coyotes captured the tourney with Stoglin's tip-in.

After losing to Maryvale, the pack went into a 12-game winning streak, averaging 76 points per game.

It started with third-rated Tucson. But Tucson was no match for the fast-breaking Coyotes as the Badgers lost, 91-56.

Things just kept rolling as team after team fell. Including Alhambra, who were supposed to be our closest competition. The Lions lost the first meeting, 95-51.

But, in the second meeting, the Coyotes met resistance as we lost, 68-63.

Avenging an earlier loss, we smashed East, 81-46, then beat Central, 55-50, to earn a berth to the finals.

In the Inter-divisionals, we first encountered a much taller team, Cortez. But, height didn't mean anything, as we won, 53-46. We then played Pueblo and won, 72-62. This gave us a chance to defend our title against Maryvale.

Another rebound for McKee as he totaled 324 for the season, eight shy of the school record.

Coyotes Ride High, Take 12 In Row

Stoglin, McKee, Price, and Norman listen carefully as Coach Jones gives instruction during a time out.

PU Takes State Again

Thus, everything was set. Maryvale, the best defensive team in the Phoenix Division, against Phoenix Union, the best offensive team in the Phoenix Division and defending Class AA Champions.

As the first period ended, Maryvale was leading, 18-14. But it was a bigger surprise to Coyotes fans when the Panthers took a 42-29 half time lead.

Then, in front of 7,661 spectators the Coyotes started one of the greatest comebacks in our school history.

After a close third period, the Coyotes exploded. Stealing the ball, getting the rebounds, and capitalizing on Maryvale's mistakes, the game was tied by David Price's tip-in with 4:02 left in the game.

Then McKee scored on another tip-in and Stoglin stole the ball and scored. That was all the lead we needed, but the team kept on scoring. When the buzzer went off and the game was officially over, the final score was Phoenix Union 65, Maryvale 56.

The mighty Coyotes successfully defended their state title and in the roaring appreciation of the Coyote fans, the trophy was presented, for the second straight year, to the magnificent team from Phoenix Union.

After stealing the ball, Stoglin adds two more points to the Coyote rally.

Keeping the rally alive, Contreras scores as Smith helps on the assist.

With 4:02 left in the game, the Coyotes had successfully taken over the game entirely.

Coyotes At The '68 Championship

Cortez seems to be amazed by our rebound power as McKee brings one down easily.

Charles McKee Gets Basketball Honors

The Coyotes also took quite a number of basketball honors.

Charles McKee was named to the All-Tournament first team and was named by a number of papers to the All-State team.

Terry Smith and Joe Norman were also named to the All-Tournament team. David Price joined Smith and Norman and were named to the honorary list.

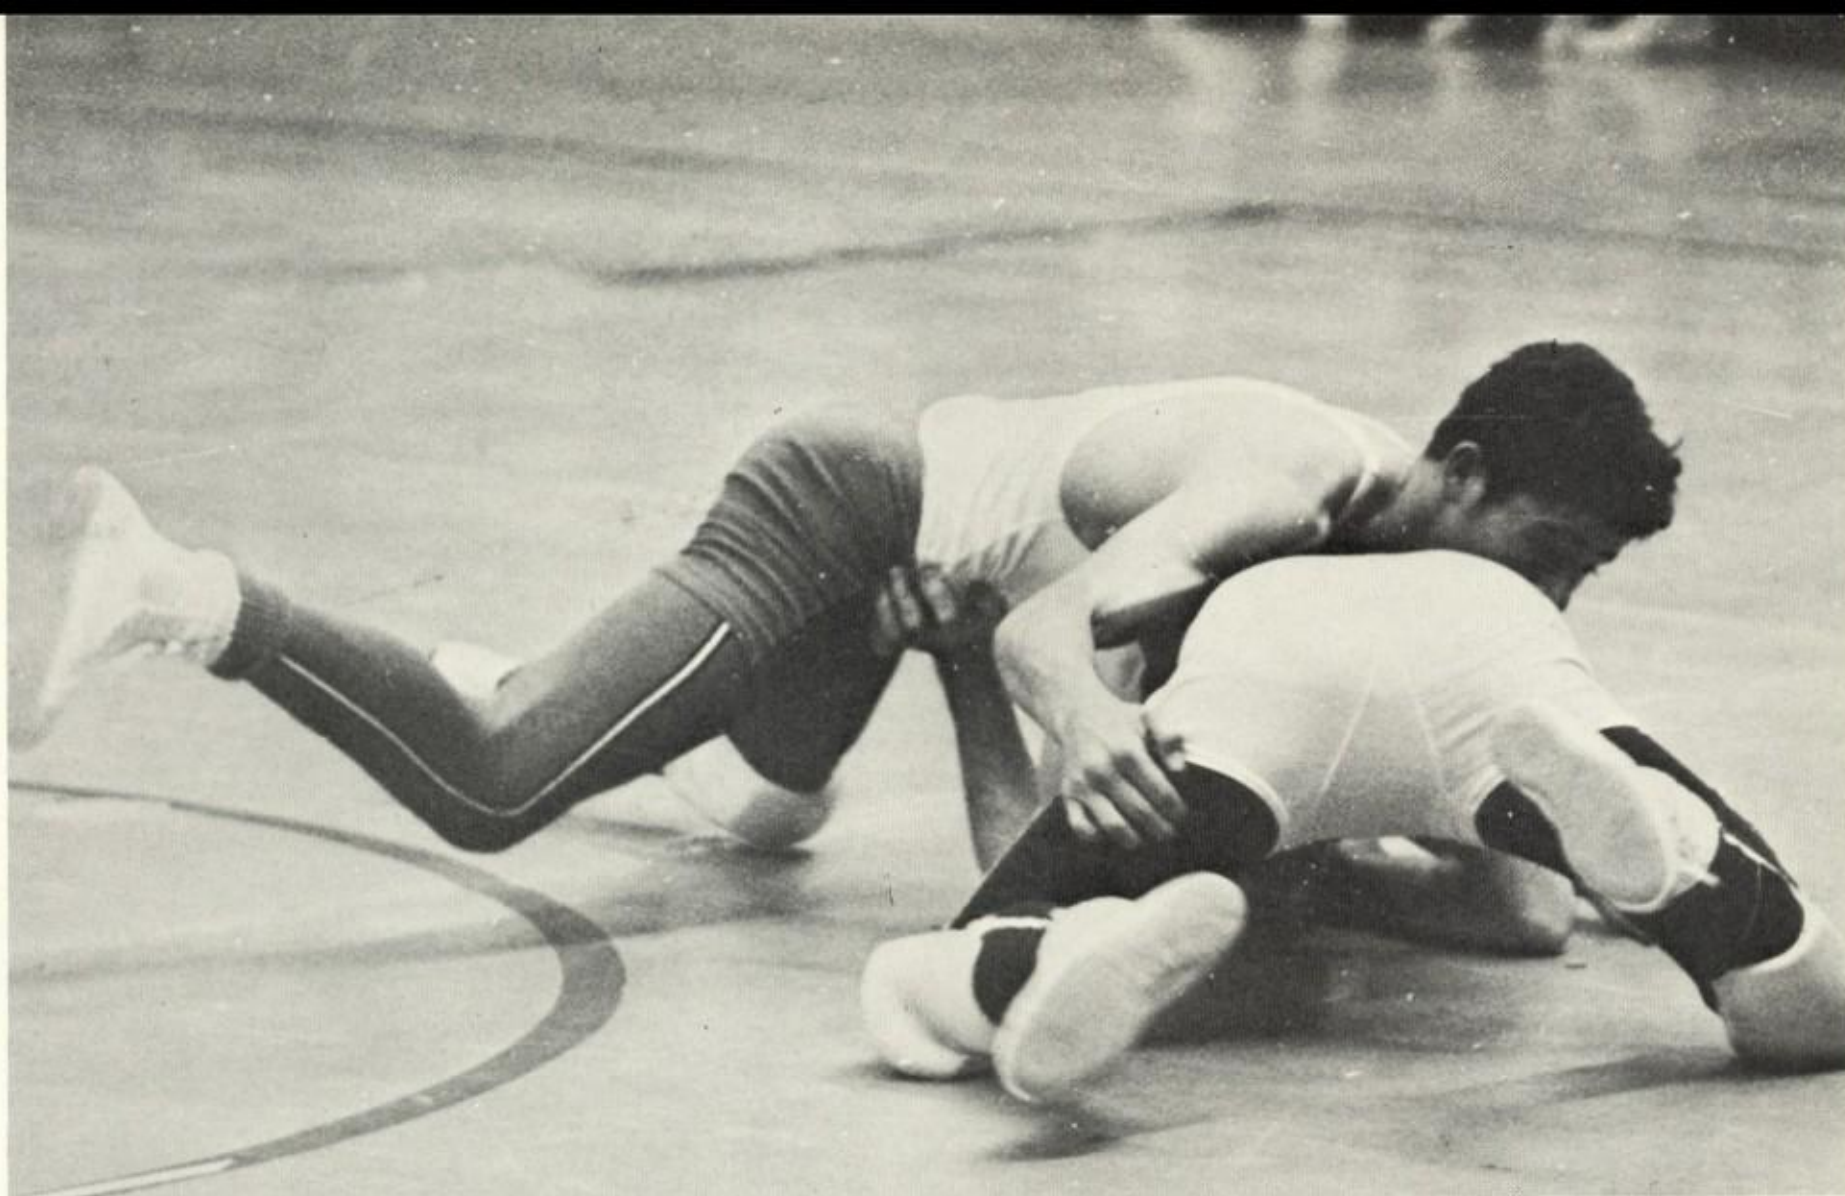

After starting with an unusual game-losing streak, Milo soon corrected the error and managed to coach the team to a 15-7 season.

The Freshmen teams had a fabulous season, despite the fact they both lost the opener to Westwood, both teams rolled to 14 straight wins to finish the season with a 15-1 record.

Futch coached the Freshmen "A", while Madura coached the Freshmen "B". Both were guided to a superb season.

Lopez And DeAnda Go To State Meet

Trying to wear him out, Lopez rides his West High opponent.

After many years of hard practice, the wrestling team finally won not one, not two, but four matches.

Under the new leadership of Coach Vaughan, our wrestling team showed considerable improvement.

Losing the season opener to East, 31-21, our team made it up by smashing North, 38-12, thus getting their first win in years.

Things looked like it would be the same when Maryvale beat our team. But the Coyotes surprised everyone by destroying its next two foes. First came Chandler, and they were beaten, 37-10. Then came the Cardinals to try their team. But our team still had plenty of fight in them as they handed Glendale a 41-12 defeat. Things were going fine until they met stronger opposition. They lost their next five matches, but went down fighting.

Pain and misery seem to be his problem as Garcia rides his West High opponent.

Facing their last foe of the regular season, the Coyotes were ready and willing to meet the West High Thunderbirds in our gym.

The matches were tough, but the Coyotes came out on the winning end beating West, 28-13.

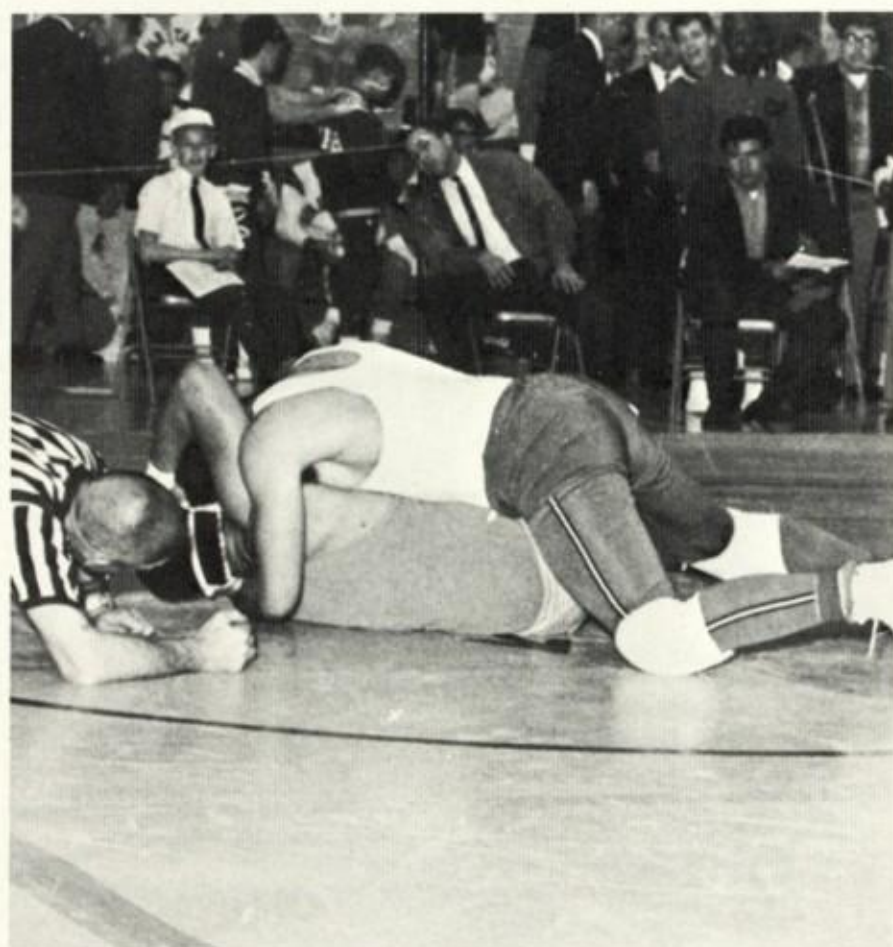

We were well represented in the divisionals as Roman DeAnda, a 120-lb. wrestler and Joe Lopez, a 128-lb. wrestler, made it on to the state meet.

Roman DeAnda placed second in state in the 120 weight and looks like he is destined to take state next year.

Despite the fact that he wasn't in the final round, Joe Lopez is also destined to do better. With his speed and agility, he should be a top contender for a state title.

Our team finished with a 4-7 season. Despite the fact that it wasn't a winning season, we did enjoy winning our first four games in years. It looks like Coach Vaughan was able to make our team look and act like a wrestling team.

Wrestlers Show Bright Season Ahead

Coyote Nine Have An Impressive Year

Varsity mentor Chuck Milo was impressed with the tremendous effort that his '68 Coyotes contributed. This year proved to be very surprising season. Among these surprises was pitcher Rudy Rascon. Rudy's natural pitching talent smothered many an opposing batters' hopes of getting on base. With catcher Alvin Hill at the receiving end, Rascon and Hill combined for a terrifying battery. Dan Contreras and Tommy Reyes' relief pitching put great depth into Coach Milo's fearsome nine.

First baseman Alex Calderon, for the second straight year, displayed his talents both with his glove and his bat. Shortstop Mario Esquivel and second baseman Joe Contreras plugged many base hits up the middle of the diamond. Third baseman Hector Lopez guarded the third base line like a hawk. Outfielders Joe Norman, Ray Warner, fresh from the basketball championship (along with pitcher Danny Contreras), Tandy Hamilton, Charlie Epps, and Larry Wilson gained opposing team respect as they patrolled the outfield with success.

With the score zero to zero, Rudy Rascon awaits the next pitch.

Below, shortstop Mario Esquivel (45) unloads run scoring base hit against Central.

Pitcher Rudy Rascon warms up before the Phoenix Union-South Mountain game.

With Alvin Hill catching, Tandy Hamilton takes a swing at the pitch.

Rascon—Hill Make Up Coyote Battery

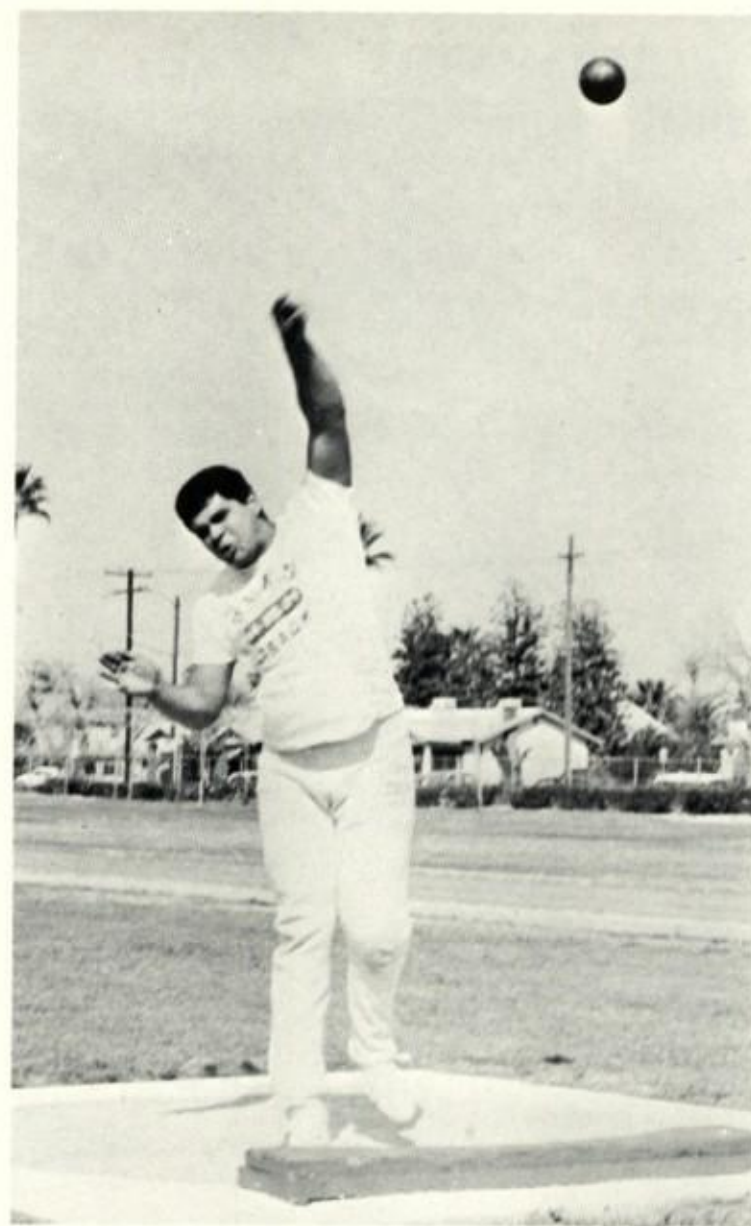

Coach Milo gives infield practice as catcher Alvin Hill looks on.

Catcher Alvin Hills attempts a pickoff toward third base during practice session.

Ruben Moncivaiz leads a strong field of distance runners.

Richard Munoz strives for perfection in the shot-put.

Coyote Spikers Offer Promising Season

Leroy Hughes easily clears 6 feet during early season practice.

Head Track Coach Gene Shipley started the 1968 track season off on an optimistic note. Although this year's team is depth-shy, it does feature some of last year's top high school track men.

Led by pole-vaulter Larry Alfier and distance ace Ruben Moncivaiz, the Coyotes can hope for a successful season. Ruben has already run a pre-season 4:25 in the mile run and Larry placed third at state in the pole-vault last year. A great deal is also expected from 440 man Ralph Young. Ralph has posted a 51.0 pre-season time in this event.

Young, Moncivaiz—State Hopefuls

Fast improving Arthur Andrade strides toward the finish line.

Miguel Burciaga demonstrates his discus throwing ability during practice.

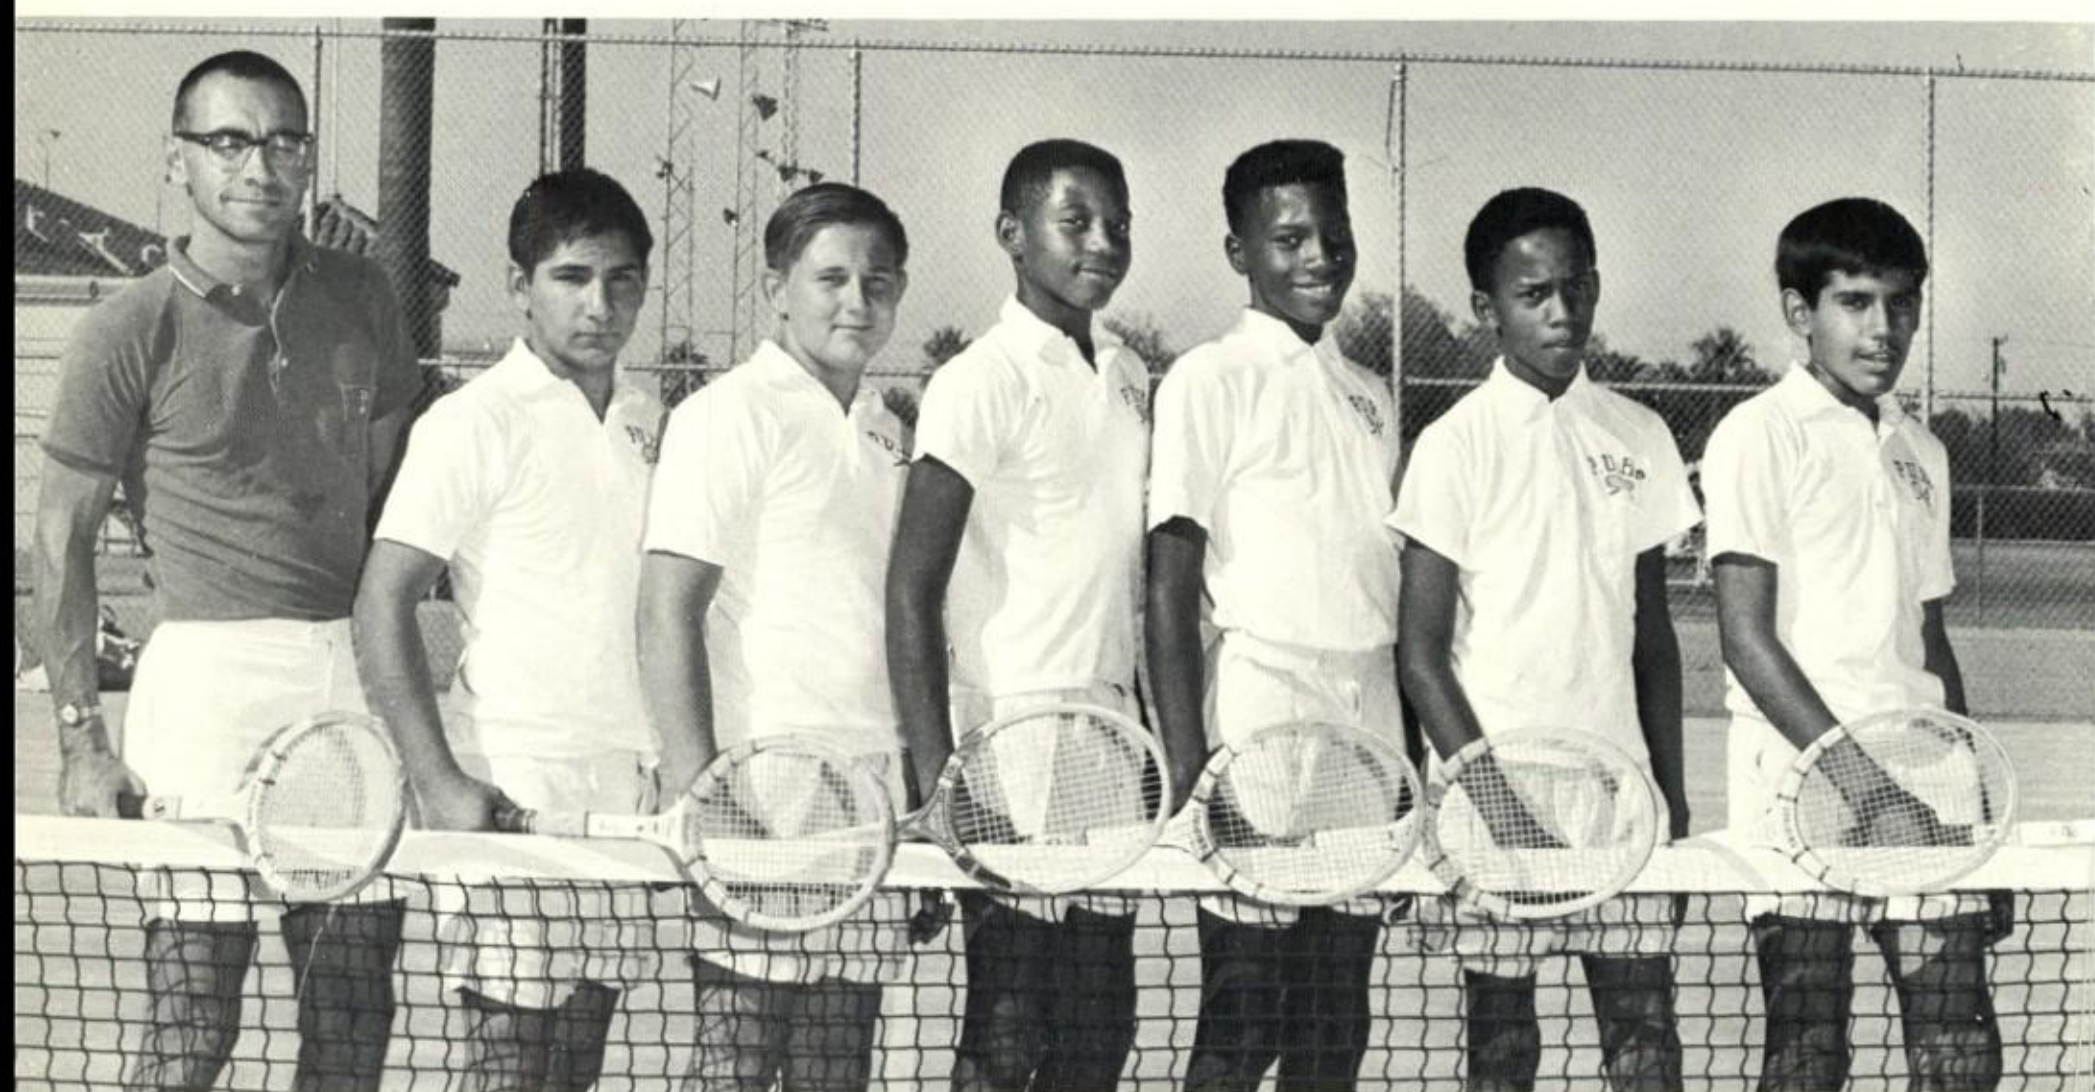

Top Sophomore runner, Andy Sandoval exhibits promising future.

Eugene Huff's state competition in the broad jump promises to be stiff.

Girls' Freshman Tennis: Left to Right—Pat Dean, Elsa Hernandez, Brenda McKee, Tillie Garcia, Herlaine Bennett, JoAnne Rivera, Joyce Hill, Stella Johnson, Patty Koenig.

Boys' Freshman Tennis: Left to Right—Coach Kessler, Henry Martinez, Bert Zimmerman, Carrel White, John Jordan, Ezrel McCowan, David Grijalva.

Boys' Varsity Tennis—D. Grajalva, R. Dong, Q. Dong, J. Gonzales, D. Dong, C. Ward, J. Arriaga, C. White, R. Lechuga, J. Alverado.

With a swift swing, Jessie Gonzales returns a serve to his opponent.

After serving the ball, Pete Bustamante positions himself for its return.

VARSITY GIRLS' TENNIS: Willie Woods, Shirley Jacobs, Norma Colbert, Sheila Jacobs, and Pat Theus. Not shown is Pricilla Gutierrez.

Girls' Tennis Finishes A Good Season

JV GIRLS' TENNIS: Pat Angulo, Helen Barreras, Brenda McKee, Stella Johnson, Herlaine Bennet, and Joyce Hill.

Dear Coyotes,

Tina Barajas

Henry Hom

In this 1968 PHOENICIAN, we have attempted to record the school year's history from beginning to end. We have captured some of the highlights of this school year, and these are included.

We wish to thank the following persons—

Mr. Harrison and all the administrators for their support and co-operation in producing the 1968 PHOENICIAN;

Mrs. Drake, Mrs. Ziol, Mrs. Clark, and the counseling department for suggesting that we join the yearbook staff and signing up students for the beginning yearbook class;

Miss Nan Ritter and Miss Mary Carson of The Broadway Portrait Studio in Christown for their coverage of senior portraits, royalty pictures, and so many other favors;

Marvel Photo for the underclassmen pictures;

Mr. Milton Bean of Taylor Publishing Company for his advice;

Miss Ruth Cole and the Social Studies department for helping with the Senior Registry;

Mrs. Turcott for her help and assistance in checking our pages;

Mr. Mosley for providing the airplane so we could have our title page picture;

and all the teachers who excused us from class and supported the yearbook.

Good luck goes to the senior staff members who, like us, will be graduating—Barney Baiz, Bobby Leon, Benny Miranda, Danny Morales, Manuel Nieto, Lorna Roberts, Bea Urias, Martin Valdez, and Terri Williams.

A word of appreciation goes to Dan Sebring, head photographer, who took the aerial shot and many other pictures on his own time; the photography staff—Marcel Dixon and Richard Menolez for their coverage of pictures. Thanks to second semester staff members—Ray Cruz and Mike Wheeler for their help. Thanks also to junior members of the staff—Grace Lopez, Cesar Gonzales, to sophomores Bill Flores and Joe Villela.

Good luck goes to next year's staff who will produce the '69 PHOENICIAN—those juniors and sophomores above plus Alma Alvarado, Caroline Benitez, Mary Chavez, Larry Dees, Toni Grant, Barbara Gonzales, Dolores Johnson, Steve Mendoza, Steve Mora, Beverly Nicholson, Irene Trujillo and others yet to be selected.

In closing, we wish to express our warm appreciation and thanks to Mr. Fisher, our advisor, for without his advice, counseling, and help, the '68 PHOENICIAN would never have been produced.

"The World of Phoenix Union" is composed of the buildings on campus, the administration and faculty who guide and teach, and especially the students, who support and make up this world. Our "World of Phoenix Union" is now at a close. We hope you have enjoyed the coverage as much as we have enjoyed producing it here.

Sincerely,

(Tina Barajas)
HENRY HOM
